For 2026, we will be reading through both the Old Testament and the New Testament simultaneously in their Biblical order. This has proven to be one of the most popular and useful reading plans within our church.

This means that each day, you will be reading just a few chapters in the Old Testament; and each week day, you will be reading a single chapter in the New Testament. The Psalms will be reserved for the weekends, to help focus our minds and hearts for worship on the Lord's Day!

Remember to spend some time thinking about and praying about what you have read! As Thomas Watson once said: "A Christian without meditation is like a soldier without arms, or a workman without tools. Without meditation the truths of God will not stay with us; the heart is hard, and the memory is slippery, and without meditation all is lost."
