

*Of Robert Murray M'Cheyne
Following The Bible Reading Calendar*

*Take About 20 Minutes Each Day To
Read Through God's Word
As A Church – In 2023!*

T A K E 2 0

Join us once again, as we “Take 20” minutes a day (or so) to read through the Bible in one year! For 2023, we will be reading through the Bible using the plan designed by the 19th Century Scottish minister, Robert Murray M'Cheyne, who lived from 1813-1843.

In its original formulation, his reading plan took his church through the Old Testament once and the New Testament and Psalms twice per year. This means reading about four chapters a day, taken from different parts of the Bible.

Originally, M'Cheyne made a calendar with two columns. The first column, labeled “Family,” was intended to be read in family devotions. The second column, labeled “Secret,” was to be read privately, in personal devotions. If you would like to read through the Bible in this fashion using our calendar, the first and third columns are his “Family” readings, while the second and fourth columns are his “Secret” readings.

*Some excellent daily devotionals that follow M'Cheyne's plan are also available. One of these devotionals, written by D. A. Carson, can be obtained either online or in print. For the online version, visit the Take 20 page of our website. For the print version, two volumes have been printed, entitled: *For the Love of God: A Daily Companion for Discovering the Riches of God's Word*. We trust that the Lord will bless the reading of His Word to your heart this year, more than ever before, as you continue to “let the word of Christ dwell in you richly!” (Colossians 3:16)*
